

UNITED COMMUNITY CORPORATION

Report of the Nominating Committee

On Tuesday, April 6, 1965 the Nominating Committee held an open meeting at the Fuld Neighborhood House. At that meeting the committee heard suggestions from the membership for nominees to the Board of Trustees of the United Community Corporation. The committee then met in two long executive sessions to go over these and other names received by mail as well as those names of Trustees who were subject to rotation. The task of the committee was very difficult because of the many qualified candidates for the few open seats on the Board. After careful consideration, and in keeping with the concept of a balanced and widely representative Board of Trustees we submit the following names for nomination as Trustees of the UCC:
